# UIANO MATERIAL SAFETY DATA SHEET

(According to ANSI Z400.1-2004)

#### PRODUCT NAME:

## **#60 SCREEN FILLER**

## Previous Issue: Nov.11, 2013

Date Prepared: April 2, 2014

# **1. IDENTIFICATION OF PRODUCT AND COMPANY**

| Product Name:      | #60 SCREEN FILLER         |
|--------------------|---------------------------|
| Company:           | ULANO® CORPORATION        |
|                    | 110 Third Avenue          |
|                    | Brooklyn, NY 11217        |
| Phone:             | 718-237-4700              |
| Fax:               | 718-802-1119              |
| Emergency contact: | 1-800-424-9300 (CHEMTREC) |
|                    |                           |
| MSDS prepared by:  | P. Drago                  |

Recommended use: Screen mesh filler / block out / for screen printing pre-press

# 2. HAZARD IDENTIFICATION OF THE PREPARATION

This preparation is not classified as hazardous according to 29CFR 1910-1200 Appearance / Odor: paste / mild odor

Potential Health Effects:

See Section 11 for more information

| Potential Health Effects: Eyes.<br>Potential Health Effects: Skin<br>Potential Health Effects: Ingestion. | This product may be irritating to the eyes.<br>Repeated exposure may cause irritation to skin<br>Ingestion of this product may be irritating to the<br>digestive system. |
|---|--|
| Potential Health Effects: Inhalation.   | No known effect  |
| Target Organs:  | not known  |

This product does not contain any carcinogens or potential carcinogens as listed by OSHA, IARC or NTP.

Potential Environmental Effects: See Section 12 for more information.

## 3. COMPOSITION/INFORMATION ON INGREDIENTS

Mixture of the below mentioned materials Hazardous components:

EINECS-No Name CAS-No. R-phrases Hazard %content

n.a

## Additional information:

For full text of risk phrases see Section 16.

## Date Prepared: April 2, 2014

## 4. FIRST AID MEASURES

#### Inhalation:

Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention.

#### Ingestion:

Induce vomiting immediately as directed by medical personnel. Never give anything by mouth to an unconscious person. Place in stable side position and seek medical advice. If breathing is irregular or has stopped, apply artificial respiration.

## Skin Contact:

Immediately flush skin with plenty of water for at least 15 minutes. Remove contaminated clothing and shoes. Get medical attention if irritation develops. Wash clothing before reuse.

#### Eye Contact:

Immediately flush eyes with plenty of water for at least 15 minutes, lifting lower and upper eyelids occasionally. Get medical attention immediately.

## 5. FIRE-FIGHTING MEASURES

| Flammable:   | no                               |  |
|--|----------------------------------|--|
| Means of extinction:   | treat surrounding fire           |  |
| Unsuitable extinguishing media:                                      | Hard water stream                |  |
| Flash point:   | n.a                              |  |
| Upper flammable limit:   | n.a                              |  |
| Lower flammable limit:   | n.a                              |  |
| Explosion data impact:   | n.a                              |  |
| Explosion data static:   | n.a                              |  |
| Hazardous combustion products:                                       | typical carbon oxygen compounds. |  |
| Autoignition temp:   | n.a                              |  |
| Fire fighters should wear SCBA for fighting fires in enclosed areas. |                                  |  |

#### 6. ACCIDENTAL RELEASE MEASURES

Do not empty large quantities directly into drains. Collect with liquid absorbing material and proceed according to local waste disposal regulations.

#### 7. HANDLING AND STORAGE

Keep container tightly closed and in a cool and well ventilated place. Ensure adequate ventilation. Avoid contact with skin and eyes.

| Freezing point:                  | not kno | own               |
| pH:                              | 5.0-6.0 | )                 |
| Coefficient of water/ oil distri | bution: | miscible in water |
| Volatile Organic Compoun         | ds:     | less than 0.1%    |

**10. STABILITY AND REACTIVITY** 

Stable under recommended storage and handling conditions (see Section 7). Store as a non-hazardous liquid INCOMPATABILITY: Strong oxidizers

#### Date Prepared: April 2, 2014

## **11. TOXICOLOGICAL INFORMATION**

#### Effects of acute exposure:

#### General information:

Effects of acute exposure: Repeated or prolonged contact causes local irritation of skin and mucous membranes, particularly the eyes . Irritancy of product- possible none reported none known

| Respiratory sensitization-           | none known    |
|--------------------------------------|---------------|
| Carcinogenicity-                     | no            |
| IARC-                                | no            |
| ACGIH -                              | no            |
| Reproductive toxicity -              | none known    |
| Teratogenicity -                     | none known    |
| Embryotoxicity -                     | none known    |
| Mutagenicity -                       | none known    |
| Name of synergistic products/effects | s- none known |
|                                      |               |

#### **12. ECOLOGICAL INFORMATION**

Do not empty large quantities into drains or release into open water. Do not store at public waste disposal sites.

## **13. WASTE DISPOSAL INFORMATION**

Dispose of as a non-hazardous aqueous waste Empty container: scrap recycling or re-conditioning Soiled container: (treatment like product itself)

# **14. TRANSPORT INFORMATION**

California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65)

This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins under California Proposition 65 at levels which would be subject to the proposition.

This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations (CPR) and the MSDS contains all of information required by the CPR, and it is not classified as a hazardous material.

Labeling R-phrases: n.a S-phrases: n.a Special labeling: n.a National Regulation for Germany: Water pollution class: 1

## **16. OTHER INFORMATION**

## HMIS: Health 1, Flammability 0, Reactivity 0

Text of risk phrases mentioned in Section 2: n.a For further information please refer to our technical information sheet. Data in this MSDS correspond with our current level of knowledge, but do not represent any assurance of product properties. The user personally is responsible for compliance with all legal requirements.

#### DISCLAIMER OF RESPONSIBILITY:

This document is generated for the purpose of distributing health, safety and environmental data. It is not a specification sheet nor should any displayed data be construed as a specification. The information on this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, expressed or implied, regarding its correctness. Some information presented and conclusions drawn herein are from sources other than direct test data on the substance itself. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with handling, storage, use or disposal of this product.
